

I wish to keep the Indiana DO NOT CALL list as it is and I am responding to inform the FCC that I do not wish to have any of the banking institutions listed in this suit, or any other company to contact me via phone for any type of solicitation. If I am in need of information or solicitation from these I companies I want to initiate it, no be hounded by them via phone. Please leave Indiana's "Do Not Call" list alone and protect the rights of its citizens and their wish to be left alone.  
Thank you,  
Ginalee Robbins
